PART 3 - Commencement Address - Your Final Unit!: Over the next two weeks, you will have the opportunity to write a commencement address like every senior has had the opportunity to do in past school years. This is your opportunity to address your classmates, your families, and your friends with a message of hope and gratitude before you officially leave Riverview. We will begin this week by exploring the assignment expectations, reviewing commencement addresses delivered by others, and outlining your speech. All documents are located in Teams under Files.

AP Test Takers: I strongly encourage you to take advantage of the resources available for the AP Literature and Composition Exam at <https://www.youtube.com/channel/UCViAcUsxrffb-dH50U5VHqw>

Directions:

PART 1 - Mythology 101: We will be spending the week researching the gods and goddesses of Greek and Roman Mythology.

PART 2 - Vocabulary: It is my preference that students complete the vocabulary drills through the Quizlet website rather than using the paper packets going forward. However, if there are any students/families who would prefer the paper exercises over the Quizlet drills, please email me, and I will send you a copy of the VL 12 PDF.

Day 41 (5-11):

- Complete the Mythology Unit Pre-Test in Teams - please do this on Monday (today - 5/11) if you can.
- Complete Quizlet VL 12 Flashcards

Day 42 (5-12):

- Review the Greek Gods and Goddesses PowerPoint in Teams to learn some basic information about the Olympians. Browse the link at the end of the presentation for more information on any god/goddess that you find intriguing.
- Complete Quizlet VL 12 Learn

Day 43 (5-13):

- Use the internet to research additional information about THREE of the Gods and Goddesses referenced on the PowerPoint from yesterday. (The link at the end of the PowerPoint may be useful, but there is a TON of information available online about mythology - and you probably already know some information since you're all such great readers!).
- Begin compiling a written record of your research (please document your sources either using MLA or at the very least by copy/pasting your websites). What I'd ultimately like you to do is identify and explain some of the interesting information that you find out about each of the three gods/goddesses you select. You can also include additional questions you have about each of these beings after completing your research. Be sure to utilize writing strategies such as prewriting, drafting, and revision in this process! If you'd prefer to take a creative approach here, that would be great as well - as long as you are finding and presenting your information appropriately!
- Complete Quizlet VL 12 Write

Day 44 (5-14):

- Continue working through your mythology research and response.
- Complete Quizlet VL 12 Match or Gravity

Day 45 (5-15):

- Email me your final draft by Sunday (5/17).
- Complete Quizlet VL 12 Test (Please do not change the number of questions).
