PART 3 - Commencement Address - Your Final Unit!: This is it! Your last week, your last assignment! Take the draft that you submitted to me, polish it up, and get it presentation ready; if you're interested in conferencing via Teams, send me a meeting request, and we can definitely do that! Submit your final draft via Teams by Friday, May 22! If you're interesting in an extra-credit opportunity at this time, throw on your cap and gown (if you wish), record your speech, and use your sweet technology skills to send me a copy of you delivering your graduation address.

Days 46-50 (5-18 through 5-22):

- Complete outstanding USA Test Prep Assignments.
- Complete Vocabulary Post-Test (do any outstanding Quizlets you may have first!).
- Email me about any grading discrepancies you may notice (i.e. you sent me an assignment, and it isn't in the grade book yet/the grade is incorrect in some way).
- Write an amazing Grad Speech (I know it's not all rainbows and unicorns, kids. This has been a rough time. It's okay to address that, but make sure you show your resilience by discussing how you've grown as a result of these trials).
- Submit your final draft by Friday, May 22, 2020.
