

PART 1 - USA Test Prep: Complete the two assignments dated for this week in USA Test Prep.

PART 2 - Vocabulary: Complete VL 21 by Friday, 5-8. (I will be entering the grades on Saturday, 5/9 in the morning). VL 21 is the last unit. I'm going to assign the Post-Test next week (it is the same as the pre-test and mid-point test; I just want to see where you ended up by year end).

AP Test Takers: I strongly encourage you to take advantage of the resources available for the AP Literature and Composition Exam at <https://www.youtube.com/channel/UCViAcUsxrffb-dH50U5VHqw>

AP has the power to transform a student and their future. Yet, each year, more than 300,000 students who are ready for AP don't take advantage of their opportunity.

Directions:

Due to a number of requests for additional time on the Expository Essay assignment students have been working hard on over the past two weeks, and as a result of the ongoing dedication and hard work of the members of this class, this week's lessons will consist of ONLY Vocabulary Power Plus Level 7 Lesson 11 (VL 11). Use your regularly scheduled class time to:

- catch up on any work you may owe in this class or others
- do something kind for a friend, family member or neighbor - while maintaining proper social distancing, of course! (write about it for extra credit)
- read a great book
- practice mindfulness and self-care

You all have continued to amaze me over the past seven weeks. You deserve a break (and so do your parents! :))

It is my preference that students complete the vocabulary drills through the Quizlet website rather than using the paper packets going forward. However, if there are any students/families who would prefer the paper exercises over the Quizlet drills, please email me, and I will send you a copy of the VL 11 PDF.
