

SLIDE!

Diphthongs OW as in COW

Needed:
2 or 3 players with different colored game pieces (BINGO chips, mini erasers, coins...), 1 die, and 1 game board

Directions:
Roll a die. Move your game piece that number of spaces. If you can read the word correctly, stay on that space. If you cannot read the word, move back to your previous spot. If you land on SLIDE!, you must slide on the arrow. If you land on a special spot, you must follow the directions. The winner is the player who reaches the WINNER! space first.

Have fun!
