### **SUPERINTENDENT'S BULLETIN**

This Bulletin is published periodically to provide staff and families with updates regarding our vision, district goals, curriculum, and strategic planning.

#### **Strategic Plan Review**

The District is in the process of reviewing our Strategic Plan for reflection and potential revisions/additions. The plan prioritizes our ability to remain academically competitive, provide a safe learning environment, customize learning, provide for expanded learning opportunities, and market the school district. Over 50 people have signed up to participate on the review committee. Review sessions will begin in late April.

The committee will be asked to assess how we are supporting our mission, how we are monitoring the inclusion of the values and beliefs of the people in the district, and to reflect on the current state of the district with regard to sustainability and community value.

#### **Strategic Plan Survey**

We encourage students, staff, parents, local business owners and community members to complete the online survey created to obtain input regarding our strategic plan and how it is meeting our goals. An online version is available on our website at [www.rsd.k12.pa.us](http://www.rsd.k12.pa.us). Paper versions are also available by contacting central office staff at 412-828-1800. Your participation is appreciated.

#### **SNOW DAYS and Make Up**

Thank you for your flexibility as we make up the three unexpected snow days we had this year. Two of those days were made up over the spring break. **The third make-up day will take place on Monday, June 4<sup>th</sup>.**

#### **Give Back Day**

On Friday, May 4<sup>th</sup>, all Riverview students will participate in our second annual "Give Back Day". This is a wonderful time for our **students to volunteer** their time and talents by **giving back to the people in our community.**

#### **IMPACT Day**

Our second annual IMPACT Day awards will be shared in June. Stay tuned for more details regarding how you can nominate someone who has made a positive

difference in the life of a Riverview student.

#### **2018-2019 Budget**

Please see our webpage for updates on the development of next year's budget. Future budget discussions will take place during school board meetings in April, May and June.

#### **SCHOOL VISITORS**

Visitors are reminded to follow required procedures when visiting schools. Volunteers must have clearances and certifications on file at the school. Visit the volunteer tab on our website for details.
