

Stuart's Lesson Plans for the weeks April 27 ~ May 01

Kitchen Skills (Foods 1)

Please read through the notes on Fruit Classification attached below.

I would like you to find a recipe using fruit in a baked dish. Then I would like you to make the dish and send me a picture of your finished product.

Have fun making this recipe.

Be safe and make wise decisions.

Mrs. Stuart

Barb Stuart's Lesson Plans for the weeks April 27 - May 01

Consumer Science (Foods 2)

This week I want you to look online, or at the flyers that come in the mail, on a Tuesday, and plan a meal for 4 people for \$15. You may choose to make the meal and send me the pictures or you can plan the meal and send me the recipes as well as the price break down.

I am also looking to try a new thing, and have a game of Kahoot with you, seeing how much you have learned from this class. I hope to have as many of you in the game as we can have. Look out for the times I will be sending you.

Should you have any problems please feel free to contact me.

Be safe and make wise decisions.

Mrs. Stuart

Stuart's Lesson Plans for the weeks April 27-May 01

Consumer Skills 8th Grade

We are going to move on to cooking. Please read the recipe carefully and if you have any questions, email me and I can help you.

This week we will be making Fudge Cookies. I will send you all an email on Monday Morning with the recipe. The ingredients are 1 box Devils Food Cake mix, 2 eggs, $\frac{1}{2}$ cup oil, 1 cup chocolate chips.

Good luck and have fun. Please send me pics of your final product.

Please stay safe and make wise decisions.

Mrs. Stuart
