

## **Stuart's Lesson Plans for the weeks May 18 ~ May 22**

### **Kitchen Skills (Foods 1)**

This week, we are going to continue with vegetables. I would like you to plan a salad, for a Memorial Day picnic, and make sure you use at least 2 vegetables in the salad. I would like you to make the salad, either for Memorial Day, or before. It can be a pasta salad, a garden salad, a cabbage salad, whatever you come up with. Please try to be creative. Please remember to send me a picture.

Enjoy and stay safe.

### **Consumer Science (Foods 2)**

This week we are going to plan and make a picnic. I will send you all the details. I am hoping we can plan a Zoom meet and have our picnic as a class and then catch up and see each other one last time before our seniors say their goodbyes.

Be safe and make wise decisions.

### **Consumer Skills 8<sup>th</sup> Grade**

For the month of May, I am going to email you 4 recipes. I would like you to choose 2 of them and make them sometime in the month.

If you choose to make them all, please feel free, but know that I am only grading 2 of them.

Good luck and have fun. Please send me pics of your final product.

Please stay safe and make wise decisions.
