

Dear Riverview Parents,

We hope you are well and looking forward to the spring!

One of our goals is to increase engagement with our community in the areas of school finance and school governance. Below are two opportunities that we hope you might consider:

1. **Finance Committee Meeting** – Our finance committee meeting is set to occur **virtually** this **Wednesday, March 5th, at 1pm**. This is a public meeting. The [agenda](#) and [link to the virtual meeting](#) is included on the “[School Board](#)” page of our [District website](#) (upper right side). At the meeting, Ms. Lubert (our business manager) will provide an update on building next year’s budget. We hope you can join us.
2. **March Study Session** – The March Study Session is set to occur on **Monday, March 10th, at 7pm in the Jr-Sr HS library**. At this meeting, we will be discussing the third and final presentation of the Riverview Master Planning study. Specifically, we will be discussing the possibilities of various options for our schools and the costs and benefits associated with each. **Community input is built into this presentation**, so we hope that you can attend and provide your feedback, thoughts and ideas. You will find [Pt. 1](#) and [Pt. 2](#) of the Riverview Master Planning Presentations on the front page of our [District website](#) if you need additional information.

As always, *all meetings* will be recorded and uploaded to our [District YouTube page](#). Therefore, if you can't make it, you will always have access to our discussions.

In the short term, please enjoy your weekend and continue to stay happy, peaceful and safe. Thank you for your continued support.

Go Raiders!

Sincerely,

The Riverview Administration
