

Dear Riverview Parents,

Thank you for your flexibility and patience this week. Considering our unforeseen week, many of you reached out to the school with kind and supportive emails and we appreciated the sentiment and support. As we mentioned, it was a team effort and the students were amazing, as always. Below are a few important items for your consideration prior to the weekend:

1. **Jr-Sr HS Update** - Our contractors (Limbaugh) and People's gas spent all day testing each and every gas line we could expose in the entire building, testing all joints, fittings and lines for gas leakage. They solved some issues proactively and made some on the spot upgrades where needed. The gas lines to the classrooms have been capped and will undergo replacement and upgrades prior to use. Multiple assessments were made and all tests came back negative. We will have a detailed plan moving forward for systematic upgrades, with the goal of avoiding future issues regarding natural gas. That being said, with buildings and facilities, there are no guarantees. However, we have been overly comprehensive and safe in terms of solving the issue permanently. Saturday school events for tomorrow were relocated and the building will be reopened on Sunday. **School will commence as usual on Monday.** We thank you for your patience and appreciate your trust and support as we work to ensure that our buildings are safe and secure for students and staff at all times. We will continue to ensure that the safety and security of your children is our TOP priority!
2. **Girls' Varsity Basketball Semifinals** - Our Riverview sports teams continue to compete at a very high level this year. Our girls' varsity basketball team crushed Monessen last night to compete in the [WPIAL Semifinals](#) this Monday at [North Allegheny Senior High School](#). Tickets will be sold online on the [WPIAL GoFan website](#). Buy your tickets online and come cheer on the Raiders Monday night! The semifinal appearance also qualifies us for the PIAA State Tournament bracket, so there will be more playoff basketball to come!
3. **2024 Riverview Musical - Joseph and the Technicolor Dreamcoat** - Our musical is steadily approaching, with multiple showings from March 7th to March 10th. If you haven't seen a Riverview musical, you should! Our students are AMAZING each year and you will be impressed by the talent level, set design and musical numbers. We recommend that you buy [tickets](#) now, as they will be limited the closer we get to showtime. Additional information, including [online ticket sales](#), can be found on our Riverview website under the "[Musical](#)" tab.

That's all for this week. You can stay up to date on all Riverview events and activities on our [District website](#) and [District Calendars](#). Please enjoy the nice weekend and continue to stay happy, peaceful and safe.

Go Raiders!

Sincerely,

The Riverview Administration
