Name	Week of March 30
Activity #1 Directions: Watch A "Virtual Field and take notes. List at least 10 items that you more than 10 if you'd like!	Trip" to the Museum of the American Revolutior found important or interesting. You can do
•	
•	
•	
•	
•	
•	
•	
•	
•	

	ity #2 Directions: Read "We're Still Here" and watch the video "Otters on the Rebound". er the first question in the Continue the Learning journey box below. There are three parts to the on:
•	Based on the video and article, record problems that have affected otters' ability to survive. Next to each problem, record how people have worked to solve that problem, or brainstorm ideas for your own solution:
•	What could you do to help protect otters?
0	What could you do to help protect other animals that live in your area?

Activity #3 Direction	ons: Read the	article wate	ch the video	"Domino D	esigner". W	atch the "Rounding
With Number Lines"	' short video.	Answer all	"Now You T	ry It" quest	ons (1, 2, 3,	4, 5A, and 5B):
1.						
1.						
2						
2.						
3.						
4.						
5A.						
<b>5</b> D						
5B.						

<u>Activity #4 Directions:</u> Read the article "Cats of Dogs?" What do you think? Who makes better pets: cats or dogs? Or do you think a completely different animal would make the best pet? Write a short persuasive letter to convince someone of your opinion. Be sure to include evidence and explain your reasons:
