Parent Teacher Conferences

On Monday, November 5th parents met with their child's teacher to help build strong parent-teacher partnerships. This partnership helps us to reach the common goal of helping your child get the best education possible. Thank you to all of the wonderful parents who took time to be engaged in this important partnership!

Riverview Celebrates our Veterans

This Veteran's Day, Riverview students and staff would like to express their deep appreciation for the heroic men and women who protect our freedom. Students participated in several activities to honor and reflect on their impact, including: Tenth Street Elementary invited family members who served our country to a special Veteran's Day Program and breakfast. During their program, they had a video presentation and several students spoke about Veteran's Day. At Verner Elementary, several classrooms created short stories about Veterans while other classrooms created posters using Veterans Day Facts. They also had a red, white and blue day to honor the veterans and collected money for our local military connections. At the Jr/Sr High School, students from US History classes journeyed to the Veteran's Memorial near the Oakmont Library, to discuss the history of Veteran's Day, the symbolism of the actual memorial, and the significance of colors and symbols. Thank you to all Veterans!
